Workshop Name: [Pyrography – Flowers, Leaves, & Watercolored](#)

Description: Detail instructions given by the instructor as well as receive a book with detail instructions and color photos giving students step-by-step instructions of how to pyrograph flowers, leaves, and watercolor them.. Pattern will be put on by students.

Materials Supplied by Instructor: *(If none are needed, write none.)*
[Watercolors](#), brushes, pattern on transfer paper, pencil, carbon paper.

Materials Supplied by Students: *(If none are needed, write none.)*

[Clean and Cut Gourd](#) - **Must** have an area large enough on one side to accommodate a 5” wide and 5 ¼” high pattern with 1 ¼” above the patten. Price for class reflects students bringing their own gourd. You can paint the inside when you return home. I suggest you cut a roll top on the gourd.

[Woodburner](#) - Professional burner is best. If you don’t have one, bring a Woodcraft or similar burner.

[Nibs/Pens](#) - Your favorite liner. Shading will also be done with the liner nib.

Teachers provide gourds, extension cords, power strips, and tables. Volunteers will help you unload your vehicle. --- Received approval from your president, Gale Keys, for the students to furnish their own gourds in all my classes. Also, informed by Madge that tables would be furnished for students, but I will bring one for me.

Course Level: **X Beginner** with some experience with woodburners.

Minimum # of Students: **0** **Maximum \$ of Students:** **15**

Workshop Charge: **\$50 per student** plus \$5 for MGS.
