**Workshop Name:**    [Let's Add Texture](#)

**Description:** Use a very “unique” product discovered by the instructor that adds texture beyond belief. Instruction for the finish of the piece will be a turquoise stone. There are endless possibilities for final results with this technique. Students will receive and take home a 14-page/26-photo step-by-step instructional book.

**Materials Supplied by Instructor:** *(If none are needed, write none.)*

Product to cover gourd, glue, brushes, acrylic paint for finish, bowl for water, plates for glue, and book with detailed instructions and photos that will go home with the students.

**Materials Supplied by Students:** *(If none are needed, write none.)*

[Clean, Cut, and Painted Inside Gourd](#) - Apx. 24” around (8” circumference). Anything larger may not be finished during the class. NOTE: Class fee reflexes the students bringing their own gourds.

[Hot Air Gun](#) – A **MUST**. Hair dryer doesn’t get hot enough.

*Teachers provide gourds, extension cords, power strips, and tables. Volunteers will help you unload your vehicle. --- Received approval from your president, Gale Keys, for the students to furnish their own gourds in all my classes. Also, informed by Madge that tables would be furnished for students, but I will bring one for me.*

**Course Level:** **X Beginner** with some experience with woodburners.

**Minimum # of Students:** 0      **Maximum \$ of Students:** 15

**Workshop Charge:** \$50 per student plus \$5 for MGS.
